

Learning Journey

Year 2

Summer 1 2018

Main Stimulus	Learning Objectives	Context
Week 1 16.4.18 Meerkat Mail	Science 4: We are learning how animals get their food identifying simple food chains. Science 7: We are learning about the basic needs of animals including humans.	Science: Create food chains. Science: What animals and humans need.
Week 2 23.4.18 Meerkat Mail	Art 1: We are learning to use a range of art techniques Science 8: We are learning that animals including humans have offspring which grow into adults.	Art: African sunsets Science: Match adults to offspring
Week 3 30.4.18 Meerkat Mail	Science 5: We are learning to describe how plants need water, light and the right temperature to grow. Science 2 & 3: We are learning to observe, describe and record how beans grow into plants.	Science: Bean growing challenge.
Week 4 7.5.18 Assessments (4 days)	Science 2 & 3: We are learning to observe, describe and record how seeds grow into plants.	Science: Bean growing challenge.
Week 5 14.5.18 Assessments Bognor	History 1: We are learning about changes within living memory. History 2: We are learning about a significant person from the past who lived in our locality. Geography 1: Use maps to find different UK, Bognor and Kalahari Desert. Geography 2: Compare Bognor with the Kalahari Desert (Sunny's home)	History: Magic granddad, history of beach holidays. History: Mary Wheatland Geography: Locate Bognor on a map
Week 6 21.5.18 Poetry	Computing 1: We are learning to understand that computers need to be given clear instructions. Computing 2: We are learning to explain how simple programs work. Computing 3: We are learning to create simple programs	Computing: Scratch Jr
<h2>Half Term</h2>		

Life on the Ocean Waves

Learning Journey

Year 2

Summer 2

2018

Main Stimulus	Learning Objectives	Context
Week 7 4.6.18 Hokusai Poetry	Art 2 & 3: We are learning about the style of an artist and linking it to our own work through painting and drawing. Computing 5: We are learning to know who to tell and what to do if we see something we are worried about.	Art: Hiroshige and Hokusai wave art. Water effect art using different media. Computing: E-safety
Week 8 11.6.18 Flotsam Phonics screening	DT 2: We are learning to select and use a range of tools to cut, shape and join materials. Computing 6: We are learning to recognise digit media outside of school. Science 6: We are learning how the shape of objects made from different materials can be changed by different actions.	DT: How to join and adapt materials. Computing: Digital media Science: Pirate ship materials.
Week 9 18.6.18 Flotsam (4 days)	Science 1: We are learning to ask simple questions and recognise that they can be answered in different ways.	Science: floating and sinking investigation.
Week 10 25.6.18 Smuggler Visit	History 3 & 4: We are learning about the life of a famous person from the past.	History: Edward Teach (Blackbeard)
Week 11 2.7.18 Pirate Island Pirate Cruncher	Geography 3 & 4: We are learning to use compass directions to describe locations of physical features on a map. Art 4: We are learning to use a range of materials to design and make a product. DT 1: We are learning to select and use a range of tools to cut, shape and join materials. DT 2: We are learning to design a product based on a criteria. DT 3 & 4: We are learning to build structures and explore how they can be made stronger, stiffer and more stable and then finish our model.	Geography: Describe position of physical features on island. DT/Art: Design and make Pirate Island
Week 12 9.7.18 Pirate Cruncher Class assembly 12.7.18	Science 9: We are learning the importance of exercise, eating the right amounts of different food and hygiene for humans. DT 5: We are learning to prepare a healthy drink.	DT/Science: Pirate Grog/ Unhealthy pirates.
Week 13 16.7.18 Moving on		

Happy holidays!
